# AFRICA FLY-IN SAFARI

## OKAVANGO DELTA, SELINDA RESERVE, VICTORIA FALLS

Announcing Ceiba Nature Tour's 2011 **Africa Safari to Botswana and Zambia**. In addition to Botswana's famed Okavango Delta the itinerary now includes Zambia and Victoria Falls.

Due to the logistics of planning a two-week safari and the individual nature of CNT trips, I am seeking a commitment including a \$1500 deposit per person by July 2010. One year out is the time needed to confirm in-country safari reservations. Ten is the maximum number for the trip, some of the camps can accommodate no more; six is the minimum for the tour to operate. If six persons have not reserved by July 31, all deposits will be returned in full.

Botswana and Zambia are two of the safest countries on the African continent. The fly-in safari, operated by Passage to Africa, provides the best possible means of immersion into the African landscape. Great Plains Conservation owns and operates our exceedingly comfortable lodges and camps complete with full service and excellent staff. I am exceedingly pleased to be working with Great Plains Conservation and contributing to their mission as you will be too. This is truly the trip of a lifetime for all of us!

You will receive a comprehensive CNT Botswana and Zambia Safari information package. Additionally, a group meeting for viewing slides, getting to know fellow travelers, and discussing last minute details, is scheduled prior to departure. If you use the internet please check the Africa photo gallery on my website. Perhaps the best way to learn about our safari is an individual meeting, at your convenience.

**Cost:** \$9850 per person, based on group of 10, double occupancy (\*based on 2010 rates; may increase for 2011, increase only will be charged to participant)

**Included:** All charter air and road transfers as specified in the safari itinerary, services of lodge guides and staff, park fees, daily game activities at safari lodges and camps in Botswana and Zambia, all lodging, all meals and drinks excepting premium (imported) alcoholic beverages, pre-trip departure package

**Not Included:** International and regional airfare and departure taxes, visa fees, any new government taxes, gratuities to camp staff and guides, any goods or service or activity contracted by you personally. Travel insurance is required.

**Information** Please call Linda, 1-877-626-2456, or [info@ceibanaturetours.com](mailto:info@ceibanaturetours.com); see [www.ceibanaturetours.com](http://www.ceibanaturetours.com) [www.greatplainsconservation.com](http://www.greatplainsconservation.com); [www.passagetoafrica.com](http://www.passagetoafrica.com)

Thank you again for your interest and I sincerely look forward to hearing from you,

*Linda*
